

S. DHARANEESHWARI

Computer Science & Engineering Student

9894964401 | sdharaneeshwari8@gmail.com | Dindigul, India

PROFILE SUMMARY

Motivated Computer Science and Engineering student with a strong foundation in programming and web development fundamentals. Eager to apply skills in HTML, CSS, JavaScript, and React.js to real-world projects, with a keen interest in growing as a software/web developer through hands-on experience.

EDUCATION

B.E. in Computer Science and Engineering

Christian College of Engineering and Technology, Oddanchatram | Academic Year: 2025 – 2029

12th Grade: 521 / 600

SKILLS

Web Development: HTML, CSS, JavaScript, React.js

Programming Languages: C, C++, Python

Concepts: Object-Oriented Programming (OOP)

Tools & Technologies: React.js, JavaScript, Node.js

PROJECT

Teacher Period Assistant | React.js, JavaScript, Node.js

Developed a full-stack web-based teacher assistance system for managing teacher periods and academic schedules.

- Implemented a reminder and notification system to alert teachers about their teaching periods and attendance responsibilities.
- Enabled students to view their individual attendance percentage in real time.
- Built administrative functionality for managing teachers, subjects, departments, sections, and timetables.
- Designed a responsive, user-friendly interface for a smooth experience across devices.

STRENGTHS

Quick Learner • Team Player • Problem Solving • Communication Skills • Time Management

LANGUAGES

Tamil: Native Proficiency

English: Proficient
